BIO:

- ALL VINYL ALL THE TIME -

Turntablist flare with dancefloor sensibility, Osmose has worked with a wide range artists such as Grandmaster Flash, DJ Shadow, Cut Chemist, Sleazy McQueen, Ursula 1000, Kai Alce, Thunderball, Pato Banton, Boozoo Bajou, Nicola Conta, Mykal Rose, Collie Buddz & New Kingston, The Aggrolites and The Wailers (*both versions of the group*). Osmose plays a variety of styles from Disco, Funk, Soul, Hip-Hop, Reggae, Deep House, to Beatdown style reworks & more, but always keeps it analog! With over 20 years experience behind the decks Osmose now spends most of his time touring North and South America with lots of records as well as producing vinyl only releases.

As of 2011 Osmose launched Smokecloud records, a vinyl only label in every sense of the word. The label focuses on soul & funk based dance music reworks and is geared towards DJ's that play a diverse array of venues. Outside of vinyl releases on Smokecloud records, he also has vinyl out on the long running Whiskey Disco imprint, Canada's Friendly Monster records, Honey Disco & Pizza Night, Morgan Ave Edits / Downtown304 (NYC/USA), Editor's Kutz (Greece), Masterworks Music (UK) & Wall Of Fame (NYC/USA).
